

Thayer Academy is offering eight 90-minute ISEE test preparation classes in September, October & November 2018

taught by experienced, qualified Thayer math and English faculty (see below for brief bios). These classes will teach students to understand the test format and instructions; to practice sample test questions and review explanations; to learn material not previously taught; to take full-length practice tests with real answer sheets; and to score and compare results with ISEE norms.

Classes will be offered in September, October, and November on Tuesdays (for 5th/6th grade applicants) and Thursdays (for 7th/8th grade applicants) from 4:30-6:00 pm. See schedules on reverse side of this page. Four 90-minute math prep classes will be taught weekly in September and October; and then four verbal/reading/writing classes will be taught in October and November. Cost is \$225 for all eight classes. All classes will be taught at the **Thayer Academy Middle School, 81 Hobart Ave., Braintree.**

Required materials:

Thayer will order you a copy of "What to Expect on the ISEE" which will be distributed on the first day of class.

Please note:

Classes will be filled on a first-come, first-serve basis

Faculty Members:

William O'Dwyer (Math): Bill graduated from Thayer in the class of 2002 and attended Boston College, earning a BA degree in Math and Computer Science Education. Bill has taught Middle School Math (and English and History) and Upper School Math at Thayer for the past 11 years and coaches Varsity Girls Basketball and JV Baseball. Bill has taught the ISEE Test Prep Class for the last two years.

Brian Cibelli (Verbal/Reading/Writing): Brian holds a BA in English from Hobart College, an MAT from SUNY Cortland, and an MALS degree from Dartmouth College. He is the Middle School English Department Head. He also coaches Varsity Girls Ice Hockey and Middle School Boys Soccer. This will be Brian's second year teaching the test prep class.
